Those entering Grades 7-12 may register for "Creature Feature" our companion teen program.

Younger children are invited to Preschool Story Time, 10:30 AM on Thursdays.

Sign up at the registration table near the information desk. Complete a registration card and print your first name on an animal card. The finished cards will be displayed on the circulation desk.

### How To Earn Rewards For Participating

Please read at your own reading level. Earn rewards by checking out books to be read at home. Materials must be checked out from the Hesperia Library and kept at least 24 hours. Board books do not count, audio books do. Please limit comic books to one per five books read. Our teen volunteers may ask questions about your books.

Reading one book earns a book bag and a reading log.

Reading five books earns a door hanger and a certificate.

Reading ten books earns a ticket to the weekly drawing, and a ticket to the super drawing.

Also: *(limited to one award per week)* ten books qualifies for your choice of either a bracelet, a grab bag or that week's featured bendable.

**Weekly drawings will be held at 6:00 PM Tuesdays.** Winners might receive a food coupon, small toy etc.

All participants will earn a small reward. Only one game sheet per week will be honored.

Every child attending a weekly program will receive a token gift.

### Guidelines for Program Days

Don't forget to see each week's display of books related to the program!

Parents, we want your children to safely enjoy the presentations.

Therefore, we must impose the following restrictions.

Floor seating in the program area is for children only. Please do not bring chairs or strollers into this area. If children are too young to sit alone, they and their parents, are welcome to attend Preschool Story Time.

Please be courteous to performers and other members of the audience.

Turn off cell phones, speak only in whispers, and remove unhappy children until they are ready to sit quietly.

Thank you for your cooperation and have a great summer!
